"Companies admitted to write property and casualty insurance in California are required to participate in the California FAIR Plan Association, which makes basic property insurance available to California consumers who would otherwise be unable to obtain such insurance through the normal insurance market. In the event that catastrophic losses render the FAIR Plan unable to pay operating expenses and policyholder claims because it will not have sufficient retained earnings, reinsurance, a line of credit, if available, and/or proceeds from catastrophe bonds, if sold, the FAIR Plan may request the Insurance Commissioner's approval to assess each member insurance company its fair share if necessary to pay the Plan's operating expenses and policyholder claims.

To assure stability in the California property insurance market and to assure the continued availability of property insurance in California, the FAIR Plan's member insurance companies may collect a temporary supplemental fee to recover a portion of these assessments. If this happens, 'Temporary Supplemental Fee' with an amount will be displayed on a notice, bill, or your policy declarations."

If more than one property is insured under this policy, Section I and Section II coverages of each location may not be added together in the event of a loss.

In case of loss under a Section I peril, this policy covers only that part of the loss over the stated deductible.

The additional cost for any additional/optional coverage shown as "Included" is contained in the Total Policy Charge.

If a policy is cancelled and then reinstated, a $10 reinstatement fee will apply. All policies cancelled at the request of the insured will be charged a $25 processing fee.

If a non-payment of premium cancellation notice is issued, but a premium payment is received before cancellation, a $10 late fee will apply.

Note: You have chosen to not purchase Earthquake coverage with this policy. Please contact your producer if you would like to purchase Earthquake coverage.

DP3 Policy Declaration

Important Information
Date Mailed: **12/29/2025**
Please be aware that it is your responsibility, as the insured, to obtain adequate amounts of coverage on your dwelling and personal property. The dwelling coverage should be an amount sufficient to replace the home in the event of a total loss. If you believe that the dwelling replacement cost estimated above and the associated personal property limits are insufficient, you should work with your Producer to increase the limits to amounts you believe to be appropriate.
The coverage limits, whether estimated by us or selected by you, will be adjusted annually based on estimated changes in rebuilding and replacement costs, but the Company does not guarantee that the coverage limits shown in the Declarations will be sufficient to rebuild the dwelling and/or replace all covered property.
This Declaration supersedes any previous Declaration bearing the same policy number for this policy period. This Declaration provides only a summary of the coverages on your policy. All coverages are subject to the terms, conditions, and exclusions of the policy contract, which has been previously provided to you.

Dwelling Valuation Summary	
Dwelling Valuation Method	360 Value - Replacement Cost Estimate
Total Finished Sq. Feet	1,792
Insured Value (Rounded up to next $1,000)	$429,000
For a complete breakdown of the Estimated Replacement Cost, please contact your insurance producer.	

Dwelling's Estimated Replacement Cost

Thank you for choosing to insure your dwelling through Pacific Specialty Insurance Company. You and a representative from your producer's office recently estimated the replacement cost of your home using the 360 Value estimating tool in assessing your coverage needs. The estimated replacement cost and some of the information you provided about your home appears below.

Estimated Cost to replace your home based on 360Value estimating tool: $353,177
Insurance amount you selected on your Homeowners Policy: $429,000
Estimate Number: E96FD9X.7
Estimate Date: 19/11/2025 03:10 PST
Year built: 1968
Total living area: 1,792
Quality grade: Above Average

The dwelling coverage should be an amount sufficient to replace the home in the case of a total loss. Please be aware that it is ultimately the insured's responsibility to obtain adequate insurance coverage. If you feel that the dwelling replacement cost estimated above is insufficient, you should increase the coverage to the amount you feel is appropriate.

The limit of liability for this structure (Coverage A) is based on an estimate of the cost to rebuild your home, including an approximate cost for the labor materials in your area, and specific information that you have provided about your home.

We encourage you to review your complete estimate attached to confirm estimate details. Your producer can assist you with any estimate changes, such as adding more detailed information about features of your home. The more detail you can add, the more the estimate will reflect the actual features of your home, and the less the estimating tool will need to rely on assumptions about your home.

If you have any questions regarding the 360 Value estimate or the coverage amounts you selected or if you would like an additional copy of the complete 360 Value estimate that was created for your home based on the information you provided, please contact your producer (323) 722-0600.

Thank you for choosing Pacific Specialty Insurance Company

Difference in Conditions FORM No. PO-39

Your policy includes the Difference in Conditions Endorsement. This endorsement reduces or limits coverage; please make sure there is a California Fair Plan or equivalent policy concurrently in-force for the same premises and contact your producer to ensure your property and assets are adequately insured.

A fully earned $10.00 service charge will be added for each installment payment made by the insured. This service charge is not charged on down payments, on installments not tendered due to early payment of your premium balance, or on entire premium payments. Notice to Consumer

Notice To Consumers- California Residential Insurance Disclosure	
This disclosure is required by Section 10101 of the California Insurance Code. This form provides general information related to residential property insurance and is not part of your residential property insurance policy. Only the specific provisions of your policy will determine whether a particular loss is covered and the amount payable. The information provided does not preempt existing California law.	
PRIMARY FORMS OF RESIDENTIAL DWELLING COVERAGE You have purchased the coverage(s) checked below. NOTE: Actual Cash Value Coverage is the most limited level of coverage listed. Guaranteed Replacement Cost is the broadest level of coverage.	
	ACTUAL CASH VALUE COVERAGE for either a total or partial loss to the structure or its contents pays the amount it would cost you to repair, rebuild, or replace the thing lost or injured, less a fair and reasonable deduction for physical depreciation based upon its condition at the time of the injury or the policy limit, whichever is less. A deduction for physical depreciation applies only to components of a structure that are normally subject to repair and replacement during the useful life of that structure.
X	**REPLACEMENT COST COVERAGE** is intended to provide for the cost to repair or replace the damaged or destroyed dwelling, without a deduction for physical depreciation. Many policies pay only the dwelling's actual cash value until the insured has actually begun or completed repairs or reconstruction on the dwelling. Coverage only pays for replacement costs up to the limits specified in your policy.
X	**EXTENDED REPLACEMENT COST COVERAGE** is intended to provide for the cost to repair or replace the damaged or destroyed dwelling without a deduction for physical depreciation. Many policies pay only the dwelling's actual cash value until the insured has actually begun or completed repairs or reconstruction on the dwelling. Extended Replacement Cost provides additional coverage above the dwelling limits up to a stated percentage or specific dollar amount. See your policy for the additional coverage that applies.
	GUARANTEED REPLACEMENT COST COVERAGE covers the full cost to repair or replace the damaged or destroyed dwelling for a covered peril regardless of the dwelling limits shown on the policy declarations page.
X	**BUILDING CODE UPGRADE COVERAGE** also called Ordinance and Law coverage, covers additional costs to repair or replace a dwelling to comply with the building codes and zoning laws in effect at the time of loss or rebuilding. These costs may otherwise be excluded by your policy. Meeting current building code requirements can add significant costs to rebuilding your home. Refer to your policy or endorsement for the specific coverage provided and coverage limits that apply.
READ YOUR POLICY AND POLICY DECLARATIONS PAGE CAREFULLY: The policy declarations page shows the specific coverage limits you have purchased for your dwelling, personal property, separate structures such as detached garages, and additional living expenses. The actual policy and endorsements provide the details on extensions of coverage, limitations of coverage, and coverage conditions and exclusions. The amount of any claim payment made to you will be reduced by any applicable deductibles shown on your policy declarations page. It is important to take the time to consider whether the limits and limitations of your policy meet your needs. Contact your agent, broker, or insurance company if you have any questions about what is covered or if you want to discuss your coverage options.	
INFORMATION YOU SHOULD KNOW ABOUT RESIDENTIAL DWELLING INSURANCE	
AVOID BEING UNDERINSURED: Insuring your home for less than its replacement cost may result in your having to pay thousands of dollars out of your own pocket to rebuild your home if it is completely destroyed. Contact your agent, broker, or insurance company immediately if you believe your policy limits may be inadequate.	

Notice to Consumer

THE RESIDENTIAL DWELLING COVERAGE LIMIT:

The coverage limit on the dwelling structure should be high enough so you can rebuild your home if it is completely destroyed. Please note:

- The cost to rebuild your home is almost always different from the market value.
- Dwelling coverage limits do not cover the value of your land.

The estimate to rebuild your home should be based on construction costs in your area and should be adjusted to account for the features of your home. These features include but are not limited to the square footage, type of foundation, number of stories, and the quality of the materials used for items such as flooring, countertops, windows, cabinetry, lighting and plumbing.

- The cost to rebuild your home should be adjusted each year to account for inflation.
- Coverage limits for contents, separate structures, additional living expenses and debris removal are usually based on a percentage of the limit for the dwelling. If your dwelling limit is too low, these coverage limits may also be too low.

You are encouraged to obtain a current estimate of the cost to rebuild your home from your insurance agent, broker, or insurance company or an independent appraisal from a local contractor, architect, or real estate appraiser. If you do obtain an estimate of replacement value, and wish to change your policy limits, contact your insurance company. While not a guarantee, a current estimate can help protect you against being underinsured.

DEMAND SURGE: After a widespread disaster, the cost of construction can increase dramatically as a result of the unusual high demand for contractors, building supplies and construction labor. This effect is known as demand surge. Demand surge can increase the cost of rebuilding your home. Consider increasing your coverage limits or purchasing Extended Replacement Cost coverage to prepare for this possibility.

CHANGES TO PROPERTY: Changes to your property may increase its replacement cost. These changes may include the building of additions, customizing your kitchen or bathrooms, or otherwise remodeling your home. Failure to advise your insurance company of any significant changes to your property may result in your home being underinsured.

EXCLUSIONS: Not all causes of damage are covered by common homeowners or residential fire policies. You need to read your policy to see what causes of loss or perils are not covered. Coverage for landslide is typically excluded. Some excluded perils such as earthquake or flood can be purchased as an endorsement to your policy or as a separate policy. Contact your agent, broker, or insurance company if you have a concern about any of the exclusions in your policy.

CONTENTS (PERSONAL PROPERTY) COVERAGE DISCLOSURE:

This disclosure form does not explain the types of contents coverage provided by your policy for items such as your furniture or clothing. Contents may be covered on either an actual cash value or replacement cost basis depending on the contract. Almost all policies include specific dollar limitations on certain property that is particularly valuable, such as jewelry, art, or silverware. Contact your agent, broker, or insurance company if you have any questions about your contents coverage. You should create a list of all personal property in and around your home. Pictures and video recordings also help you document your property. The list, photos, and video should be stored away from your home.

FIRELINE WILDFIRE HAZARD AND MITIGATION RISK ASSESSMENT

A Fireline Score will be obtained for each property. This score will be used for underwriting and rating as outlined in the most recently approved underwriting guidelines and rating manual. The applicable rate will be based on the Fireline Score and Wildfire Mitigation discounts provided by ISO Verisk. The Fireline Score and Wildfire Mitigation will be determined at new business and prior to every renewal.

Fireline – Measures the amount of fuel, the degree of slope and emergency access to the location. The score ranges from 0-30.

WILDFIRE HAZARD SCORE	WILDFIRE HAZARD ASSESSMENT
0	Negligible
1	Low
2 - 3	Moderate
4 - 12	High
13 - 30	Extreme

Wildfire Mitigation –ISO Verisk applies a discount to the Fireline Wildfire Hazard and Mitigation Score based on mitigation efforts by the property owner and community. Mitigation refers to the total (cumulative) of all available score reductions/discounts, and this applies to Wildfire Hazard Scores greater than 0 (1-30). The score is 0-30, rounded to 2 decimal places. When Wildfire Hazard Score is 0, Wildfire Hazard and Mitigation Score is also 0. The policyholder may provide proof of additional mitigation efforts anytime during the policy period to possibly reduce their existing Fireline Wildfire Hazard and Mitigation Score. The maximum Fireline reduction is 12%.

CONDITIONS

1. **Policy Period.** This policy applies only to loss which occurs during the policy period.

   With **our** consent, this policy may be renewed for successive policy periods if the renewal premium for rules and forms then in effect is paid and accepted before the end of the current policy period.

2. **Insurable Interest and Limit of Liability.** Even if more than one person has an insurable interest in the property covered, **we** will not be liable in any one loss:
   a. for an amount greater than the interest of a person insured under this policy; or
   b. for more than the applicable limit of liability.

3. **Severability of Insurance.** This insurance applies separately to each **insured**. This condition shall not increase our limit of liability for any one **occurrence**.

4. **Fraud or Misrepresentation:** This policy was issued in reliance upon the information provided on **your** insurance application. **We** may void this policy at any time, including after the **occurrence** of an accident of loss if **you**:

   a. Made incorrect statements or representations to **us** with regard to any material fact or circumstance;

   b. Concealed or misrepresented any material fact or circumstances; or

   c. Engaged in fraudulent conduct;

   at the time of the application. This means that **we** will not be liable for any claims or damages that would otherwise be covered. However, if **we** make a payment, the insured person must reimburse **us**.

   We may deny coverage for an accident or loss if **you** or a person seeking coverage has concealed or misrepresented any material fact or circumstance, or engaged in fraudulent conduct, in connection with the presentation or settlement of a claim.

5. **Duties in case of an Accident or Loss.** For coverage to apply under the policy, **you** or the person seeking coverage must promptly report each accident or loss even if **you** or the person seeking coverage is not at fault. **You** or the person seeking coverage must provide **us** with all accident/loss information including time, place and how the accident or loss happened. **You** or the person seeking coverage must also obtain and provide **us** the names, addresses and phone numbers of any witnesses and any other information **we** feel applicable.

   A person seeking coverage must:
   a. Give immediate notice to **us** or **your** licensed insurance agent or broker. **You** must file a police report if the cause of loss is theft, burglary, robbery, vandalism, or malicious mischief. A list of all property stolen or damaged must be included in the police report;
   b. Prepare an inventory of damaged personal property showing in detail, the quantity, description, **actual cash value** and amount of loss. Attach to the inventory all bills, receipts and related documents that justify the figures in the inventory;
   c. Provide receipts for additional living expenses incurred;
   d. Cooperate with **us** in any matter concerning a claim or lawsuit;
   e. Provide any written proof of loss **we** may reasonably require;
   f. Allow **us** to take signed and recorded statements, including sworn statements and examination under oath, which **we** may conduct outside the presence of **you** or any other person claiming coverage, and answer all questions **we** may ask as often as **we** may reasonably require.
   g. Promptly notify **us** about any claims or lawsuit and send **us** any and all legal papers related to the claim or lawsuit;
   h. Attend hearings and trial as **we** require;
   i. Take reasonable steps after a loss to protect the property and/or **residence premises**, or any other items for which coverage is sought, from further loss. **We** will pay reasonable expenses incurred in providing that protection. If failure to provide such protection results in further loss, any additional damages will not be covered by this policy;
   j. Allow **us** to have the damaged covered property and/or **residence premises** or any other covered item for which coverage is sought, inspected and appraised before its repair and or disposal;
   k. Authorize **us** to obtain any/all records **we** feel are applicable to the investigation of the claim or **suit**.

at **actual cash value** at the time of loss but not more than the amount required to repair or replace.

b. The roof or roof components of the dwelling will be paid at replacement cost for roofs in good condition and that are 15 years or less. Roofs over 15 years in acceptable condition will be paid at **actual cash value**.

c. Buildings under Coverage A or B at replacement cost without deduction for depreciation, subject to the following:

(1) If at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately before the loss, **we** will pay the cost to repair or replace after application of deductible and without deduction for depreciation, but not more than the least of the following amounts:

(a) the limit of liability under this policy that applies to the building;

(b) the replacement cost of that part of the building damaged for like construction and use on the same premises; or

(c) the necessary amount actually spent to repair or replace the damaged building.

(2) If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, **we** will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

(a) the **actual cash value** of that part of the building damaged; or

(b) that proportion of the cost to repair or replace, after application of deductible and without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy on the damaged building bears to 80% of the replacement cost of the building.

(3) To determine the amount of insurance required to equal 80% of the full replacement cost of the building immediately before the loss, **we** do not include the value of:

(a) excavations, foundations, piers or any supports which are below the undersurface of the lowest basement floor;

(b) those supports in (a) above which are below the surface of the ground inside the foundation walls, if there is no basement; and

(c) underground flues, pipes, wiring and drains.

(4) **We** will pay no more than the **actual cash value** of the damage unless:

(a) actual repair or replacement is complete; or

(b) the cost to repair or replace the damage is both:

(I) less than 5% of the amount of insurance in this policy on the building; and

(II) less than $2500.

(5) **You** may disregard the replacement cost loss settlement provisions and make claim under this policy for loss or damage to dwellings on an **actual cash value** basis. **You** may then make claim within 180 days after loss for any additional liability on a replacement cost basis. Additional extensions of up to six (6) months may be provided for good cause pursuant to Section 2051.5 of the California Insurance Code if requested in writing and received by **us** prior to the expiration of either the initial 12-month period or any subsequent 6-month extension. In the event of a loss relating to a state of emergency as defined in Section 8558 of the California Government Code, an **insured** will have no less than 36 months (from the date that the first payment towards the **actual cash value** is made) in order to collect the full replacement cost of the loss, subject to the policy limit. Additional extensions of six months shall be provided to policyholders for good cause

7. **Loss to a Pair or Set.** In case of loss to a pair or set **we** may elect to:

a. repair or replace any part to restore the pair or set to its value before the loss; or

b. pay the difference between **actual cash value** of the property before and after the loss.

8. **Glass Replacement.** Loss for damage to glass caused by a Peril Insured Against will be settled on the basis of replacement with safety glazing materials when required by ordinance or law.

9. **Appraisal.** If you and we fail to agree as to the actual cash value or the amount of loss, then on the written request of either party shall select a competent and disinterested appraiser and notify the other of the appraiser selected within 20 days of the request. Where the request is accepted, the appraisers shall first select a competent and disinterested umpire, and failing for fifteen (15) days to agree on the umpire, then on request of the insured or this company, the umpire shall be selected by a judge of a court of record in the state in which the covered property is located. Appraisal proceedings are informal unless you and we mutually agree otherwise. For purposes of this section, 'informal' means that no formal discovery shall be conducted, including depositions, interrogatories, requests for admission, or other forms of formal civil discovery, nor formal rules of

evidence shall be applied and no court reporter shall be used for the proceedings. The appraisers shall then appraise the loss, stating separately the actual cash value and loss to each item; and failing to agree, shall submit their differences only to the umpire. An award in writing, so itemized, of any two of the appraisers, when filed with this company, shall determine the amount of the actual cash value and loss. Each appraiser shall be paid by the party selecting him or her and the expenses of appraisal and umpire shall be paid by the parties equally.

10. **Other Insurance.** This insurance is excess over any other valid and collectible insurance except insurance written specifically to cover as excess over the limits of liability that apply in the policy.

11. **Subrogation. You** may waive in writing before a loss all rights of recovery against any person. If not waived, **we** may require an assignment of rights of recovery for a loss to the extent that payment is made by **us**.

    If an assignment is sought, the person insured must sign and deliver all related papers and cooperate with **us**.

12. **Suit Against Us.** No **suit** or action on this policy for the recovery of any claim or other damages shall be sustainable in any court of law or equity unless all of the requirements of this policy shall have been complied with and unless commenced within twelve (12) months after inception of the loss._ If the loss is related to a state of emergency, as defined in the subdivision (b) of Section 8558 of the Government Code, the time to limit to bring **suit** is extended to 24 months after inception of loss.

13. **Our Option.** If **we** give **you** written notice within 30 days after **we** receive **your** signed, sworn proof of loss, **we** may repair or replace any part of the damaged property with like property.

14. **Loss Payment. We** will adjust all losses with **you**. **We** will pay **you** unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable 30 days after **we** receive **your** proof of loss and:
    a. reach an agreement with **you**; or
    b. there is an entry of a final judgment; or
    c. there is a filing of an appraisal award with **us**.

15. **Abandonment of Property. We** need not accept any property abandoned by **you**.

16. **Mortgage Clause.**
    The word "mortgagee" includes trustee.

    If a mortgagee is named in this policy, any loss payable under Coverage A or B will be paid to the mortgagee and **you**, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

    If **we** deny **your** claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:
    a. notifies **us** of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
    b. pays any premium due under this policy on demand if **you** have neglected to pay the premium; and
    c. submits a signed, sworn statement of loss within 60 days after receiving notice from **us** of **your** failure to do so. Policy conditions relating to Appraisal, Suit Against Us and Loss Payment apply to the mortgagee.

    If **we** decide to cancel or not to renew this policy, the mortgagee will be notified at least 10 days before the date cancellation or nonrenewal takes effect.

    If **we** pay the mortgagee for any loss and deny payment to **you**:
    a. **we** are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
    b. at **our** option, **we** may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, **we** will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

    Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

17. **No Benefit to Bailee. We** will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

18. **Cancellation.**
    a. **You** may cancel this policy at any time by returning it to **us** or by letting **us** know in writing of the date cancellation is to take effect.
    b. **We** may cancel this policy only for the reasons stated below by letting **you** know in writing of the date cancellation takes effect. This cancellation notice may be delivered to **you**, or mailed to **you** at **your** mailing address shown in the **Declarations**.

    Proof of mailing shall be sufficient proof of notice.
    (1) When **you** have not paid the premium, **we** may cancel at any time by letting **you** know at least 10 days before the date cancellation takes effect.
    (2) When this policy has been in effect for less than 60 days and is not a renewal with **us**, **we** may cancel for any reason by letting **you** know at least 20 days before the date cancellation takes effect.
    1)
    (3) When this policy has been in effect for 60 days or more, or at any time if it is a renewal with **us**, **we** may cancel if there has been:
        (a) Conviction of the **named insured** of a crime having one of its necessary elements an act increasing any hazard insured against.;
        (b) Discovery of fraud or material misrepresentation by either of the following:
            I. **you** or **your** representative in obtaining the insurance, or

        (c) Discovery of grossly negligent acts or omissions by **you** or **your** representative substantially increasing any of the hazards insured against;
        (d) Physical changes in the insured property which result in the property becoming uninsurable.
        This can be done by letting **you** know at least 20 days before the date cancellation takes effect.

    a. When this policy is terminated for any reason, or there is a reduction in coverage, **we** shall tender the gross unearned premium resulting from the termination, or the amount of the unearned premium generated by the reduction in coverage, to **you** or, pursuant to Section 673, to **your** premium finance company. The gross unearned premium shall be tendered within 25 business days after **we** either receive notice of the event that generated the gross unearned premium, or receive notice from a premium finance company of a cancellation.
    b. If the return premium is not refunded with the notice of cancellation or when this policy is returned to **us**, **we** will refund it within a reasonable time after the date cancellation takes effect.

19. **Non-Renewal. We** may elect not to renew this policy. **We** may do so by delivering to **you**, or mailing to **you** at **your** mailing address shown in the **Declarations**, written notice at least 75 days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice.

20. **Liberalization Clause.** If **we** make a change which broadens coverage under this edition of **our** policy without additional premium charge, that charge will automatically apply to **your** insurance as of the date **we** implement the change in **your** state, provided that this implementation date falls within 60 days prior to or during the policy period stated in the **Declarations**.

    This Liberalization Clause does not apply to changes implemented through introduction of a subsequent edition of **our** policy.

21. **Waiver or Change of Policy Provisions.** A waiver or change of a provision of this policy must be in writing by **us** to be valid. **Our** request for an appraisal or examination will not waive any of **our** rights.

22. **Assignment.** Assignment of this policy will not be valid unless **we** give **our** written consent.

23. **Death.** If **you** die, **we** insure:
    a. **your** legal representatives but only with respect to the property of the deceased covered under the policy at the time of death;

b. with respect to **your** property, the person having proper temporary custody of the property until appointment and qualification of a legal representative.

24. **Nuclear Hazard Clause.**
    a. "Nuclear Hazard" means any nuclear reaction, radiation, or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.
    b. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion, or smoke, whether these perils are specifically named in or otherwise included within the Perils Insured Against.
    c. This policy does not apply to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

25. **Recovered Property.** If **you** or **we** recover any property for which **we** have made payment under this policy, **you** or **we** will notify the other of the recovery. At **your** option, the property will be returned to or retained by **you** or it will become **our** property. If the recovered property is returned to or retained by **you**, the loss payment will be adjusted based on the amount **you** received for the recovered property.

26. **Volcanic Eruption Period.** One or more volcanic eruptions that occur within a 72-hour period will be considered as one volcanic eruption.

27. **Conformity to Statute.** If any provision of this policy is in conflict with the statutes of the state in which the **residence premises** is located, those provisions are amended to conform to those statutes.

28. **Examination Under Oath**

    As often as **we** reasonably require:
    a. Provide **us** with records and documents **we** request and permit **us** to make copies; and
    b. Submit to an examination under oath while not in the presence of another **insured** and sign the examination under oath.

In Witness Whereof, the **Company** has caused this policy to be executed and attested, but this policy shall not be valid unless countersigned on the **Declarations** page by a duly authorized agent of the **Company**.

There are exclusions and limitations such as outbuildings, swimming pools, masonry fences, and masonry chimneys. This disclosure form contains only a general description of coverages and is not part of your earthquake insurance policy. Only the specific provisions of your policy will determine whether a particular loss is covered and, if so, the amount payable.

(D) ADDITIONAL LIVING EXPENSE
