Architect Fees and Permits: \$38,867.80	Other Fees and Taxes: \$16,531.95
Overhead and Profit: \$96,627.31	

Estimated Replacement Cost

Calculated Value:

\$579,763.88

The estimated replacement costs above represent the approximated costs required to rebuild a similar structure generally described herein in the referenced geographic market. It includes pricing for labor, materials, applicable permits and fees, sales tax, and contractor's overhead and profit; it does not include costs for major excavation or land value. This estimate is intended to function as one of several sources of information in estimating a replacement cost and is not guaranteed to represent actual replacement costs in the event of damage or loss. The estimated replacement cost is based on information you have provided. It is ultimately the insured's responsibility to obtain adequate insurance.

(Replacement cost includes all applicable permits, fees, overhead, profit, and sales tax)
